

Country Manager for Spain/Latin America

Praetorian Capital is hiring a country manager for the Spanish and Latin American market

You are a Spanish or Latin American native with knowledge of financial markets and sales experience. We offer a very attractive bonus scheme and to join our dynamic and expanding team in the heart of Copenhagen.

Praetorian Capital is a highly specialized financial services provider acting as placement agent for publicly listed companies around the World. In the last years we have sourced funding of more than USD 500 million and continue to grow as our services are in high demand.

For the Spanish/Latin American market we are hiring a country manager to be in charge of contacting and setting up relationships with German public companies, initially through telephone, but also through meetings with top level management. Further, the country manager assists in all aspects of the transaction until successful closing of funding.

What we require:

- You speak fluent Spanish
- You have a basic understanding of financial markets
- You have sales experience
- You love talking to top level management (CEO and CFO)
- You can work independently
- You can expect some travelling

What we offer:

- Country manager for Spain & Latin America
- Expected yearly remuneration of EUR 50-100,000 (100% commission based)
- Part-time and flexible hours (students are very welcome to apply)
- You are based in Copenhagen, Denmark
- A steep learning curve within structured finance
- Join a super motivated team of young professionals

Deadline for applications: November 1st 2011

Applications can be sent to: careers@p-capital.eu
